

## FISCAL NOTE

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: April 6, 1995

SUBJECT: **HB 1116**

This bill, if enacted, will establish the conditions and methods by which a person who suffers death, injury or property damages as a result of pursuit by law enforcement officers, regardless of whether officer or violator being pursued caused the injury, shall have a cause of action against such law enforcement officer and such officer's employer.

Further, this bill will establish the *Pursuit Injuries Compensation Fund* from appropriations made in the general appropriations act and from such other sources as are provided or established by law, to assist in payment of these damages, and require the Administrative Office of the Courts to promulgate any rules and regulations necessary to fully implement this bill.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures to establish the fund. Since no amounts are set forth in the bill, a reasonable estimate of the increase cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
